

# Housekeeping Staff for Four Points Flex by Sheraton Vejle

*Now you have the opportunity to become part of the team at the fantastic Four Points Flex by Sheraton Vejle. A lovely and modern hotel located on Havneøen, a new and exclusive urban and residential area near the city center with views of Vejle Fjord. On the 11th floor, you'll find the reception and breakfast area with the most beautiful view of both the city and the water. This is where you will spend most of your time if you become our new star team member.*

To help us through the upcoming summer season, we are looking for both an engaged supervisor (20 hours per week) and several reliable and responsible on-call housekeeping staff.

The positions offer a variety of tasks where, depending on your role, you will either take on a coordinating overview or be part of the daily operations, ensuring that our guests always experience a clean and well-maintained environment. As a supervisor, you will also be responsible for supporting the team and maintaining high quality standards.

For both roles, you will help create a great guest experience from arrival to departure. This requires attention to detail and a high standard of quality and service.

- Excellent professional and personal development opportunities

- An informal tone in an efficient environment where good humor and positive energy are appreciated in daily life

## PROFILE

- Experience in cleaning from a service company
- You are diligent and have a smile on your face – even when things get busy
- You are happy and outgoing, with a "we" mentality rather than "I"
